YEAR 1920 MONTH Apr. 25 Shelf

Commissioner of Public Lands- To Governor
Have received from John K. Akau, City Engineer of Hilo, a
map showing the present city limits of Hilo & the proposed
extension thereof in the direction of the above Homesteads.
The cane fields recently harvested adjoining the animal
quarantine station & adjoining camp 2, comes within the pre-
sent city limits or the proposed extension thereof, will
not be homesteaded. Authorizing him to proceed with the
cultivation of the stools thereon under the contract now
existing between the Waiakea Mill Co. & the Territory of
Hawaii.
The untaken house lot in Waiakea Homesteads, from which
